# LCS Series

Modular local control stations for push buttons, selectors and instruments.

## LCS Series

The LCS series of enclosures, can be properly used as local control stations with numerous kinds of actuators. The modular design allows users to assemble whatever they need including push button, selector switch and other Dayheem actuators. The bushing facilitates connection between the enclosures. Using Dayheem CEN - - - can provide an extra component which can be a switch, instrument, etc. The enclosures have 2 M25x1.5 entry holes as standard; any other thread can be supplied on request.

### Features

**Category:** Explosion proof Enclosure

**Material:** Copper-free Die Casting Aluminum Alloy

**Marking:** Ex d IIB+H2 T6 IP66

**Application**: Switchgear Box, Local Control Station

### Nomenclature:

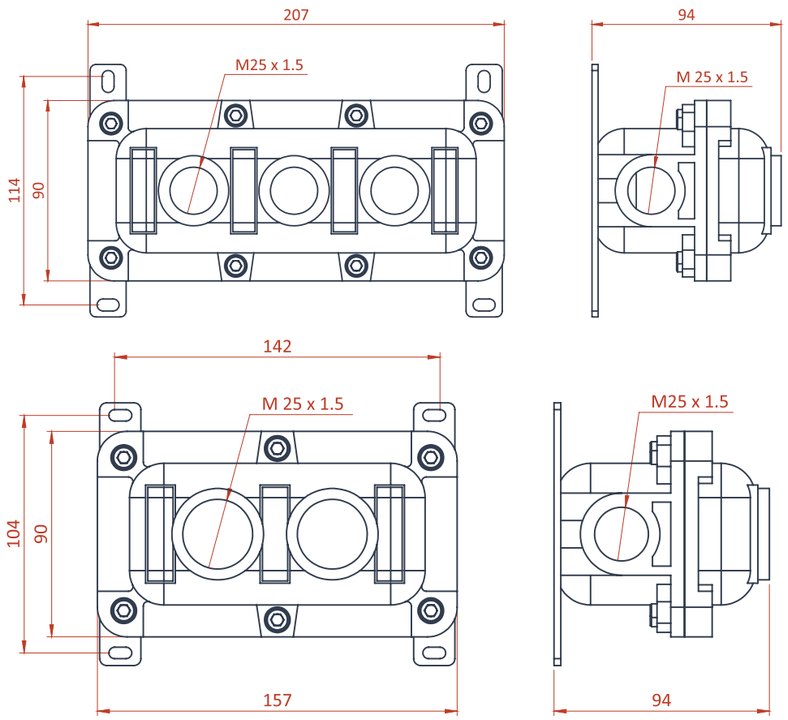

LCS_

- **Number of actuators** (2: 2 way, 3: 3 way)

| Technical Data | |
|---|---|
| Explosion proof Enclosure, LCS Series, Suitable for Zone 1,2,21,22 | |
| Marking to 94/9/EC | Gas: II 2 G Ex d IIB+H2 T6 Gb |
| Degree of Protection | IP 66 |
| Ambient Temperature | -20°C to +55°C |
| EC Type examination certificate | LOM 15 ATEX 2014 U |
| Material | Copper-free Die Casting Aluminum Alloy |
